Program Change Description/Rationale

Present a brief program change description. Describe the institutional procedures used to arrive at a decision for the change. Briefly indicate why such a change should be initiated. State how the institution and the USHE benefit by the change.

Barbara Tanner and the Tanner Center Advisory Board agree that our current name is far too difficult for people to repeat and remember. Barbara requested the name be simplified to read The Barbara and Norman Tanner Center for Human Rights. The Center's advisory board has approved the change. The Center is 100% funded by Barbara Tanner. Our programming is not changing.

Consistency with Institutional Mission/Institutional Impact

Explain how the action is consistent with the institution's Regent-approved mission, roles, and goals. Institutional mission and roles may be found at higheredutah.org/policies/policyr312/ . Indicate if the program will be delivered outside of designated service area; provide justification. Service areas are defined in higheredutah.org/policies/policyr315/ . Will faculty or staff structures be impacted by the proposed change?

This will not have any institutional impact.

Suspension, Discontinuance, or Reinstatements ONLY

If suspending a program, indicate the statewide impact of this change. Explain the reason for suspension and the anticipated length of time for the suspension.

If discontinuing the program, indicate the statewide impact of this change. Explain how currently admitted students may complete the program within a reasonable period of time compatible with accreditation standards either through either (1) enrollment of students at other institutions of higher education; or (2) courses being taught for a maximum of two years after discontinuation of the program or until no admitted students remain who are entitled to complete the program, whichever comes first.

If reinstating a program, indicate the statewide impact of this change. Explain the reason for reestablishing the program and explain any changes being made to original program.
