<a href="https://inclusive-excellence.utah.edu/intranet/faculty/index.php">https://inclusive-excellence.utah.edu/intranet/faculty/index.php</a>	Elizabeth Rogers/801.585.5994	Shelley Gabriel	Support to create inclusive classrooms "Workshops on Gender and Sexuality asks participants to explore our personal relationships with (a)gender, (a)sexuality, privilege, and oppression. We attempt to engage our varying levels of (dis)comfort, (un)awareness, and (in)action through interactive activities as well as small and large group discussions to: Explore concepts of Assigned Sex, Gender Identity, Gender Expression, Sexuality, and other identities. Trouble arbitrary binaries wrapped around these identities. Delve into internalized and institutionalized privilege and oppression. Disrupt internalized and institutionalized privilege as we reimagine current, better, and best practices relevant to our specific contexts."
