*Re:* Department of English Proposal for a Digital Culture Studies Certificate

I have carefully reviewed the proposal for a new Digital Culture Studies Certificate from the Department of English. I am writing to provide my strong support for the proposal. The proposed certificate will help broaden the impact of our course Living in a Digital Society (SOC 3051) and benefit many students across majors at the University.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Professor & Chair
