

Bug Hotel!

With the use of simple household items, campers can safely observe the various bugs that check into their hotel!

Length: 30 Minutes

Difficulty: Easy

Supplies You Will Need

- 1 plastic cup
- String/twine/yarn
- Straws
- Printer paper
- Glue
- Scissors
- Various sticks/leaves/etc.

ACTIVITY INSTRUCTIONS

(Parental Warning: Scissor use)

1. Gather various sticks and leaves (of your liking).
2. Cut the bottom of the cup off (measure to your liking).
3. Thread string through cup and glue to create something that allows your hotel to hang.
4. Roll printer paper to create a tunnel-like form.
5. Cut paper to the length of the cup.
6. Cut straws to match the length of the cup.
7. Arrange the straws and rolled paper within the cup however you want.
8. Make sure to glue the straws and paper together OR to the cup.
9. Arrange sticks and leaves in spaces between straws, paper, and cup.
10. Glue these if needed.
11. Hang up your hotel wherever you would like in your backyard.
12. Wait and watch to see what bugs enter the hotel!
