## Supplies You Will Need

- Paper and Pencil
- Attached PDF either digital or printed

## ACTIVITY INSTRUCTIONS

1. The beginning of the video will be informational talking about my story learning Spanish and some basic rules and structures.
2. Then, using the attached pdf, the viewer will be able to follow along to repeat after me on greetings, phrases and vocabulary. This is so the viewer can get comfortable saying the words and learning the accent.
3. For memorization you can review this sheet, make flash cards or even place labels around the house to integrate the language.
4. View Part 2 for more, if desired.
