

Marbled Paper!

This activity will show you how to marble paper so you can create unique cards, invitations, or whatever other creative ideas that come to mind!

Length: 10 minutes **Difficulty:** Easy

Supplies You Will Need

- Shaving cream
- Food coloring (as many colors as you want)
- White paper
- A tray (large enough for paper to fit into)
- Skewer
- Card (expired credit card or empty gift card)

(Parental Warning: none)

ACTIVITY INSTRUCTIONS

1. Fill the bottom of your tray with shaving cream. You do not need a lot, just enough to cover the bottom.
2. Drop in your food coloring.
3. Use your skewer to swirl around your food coloring
4. Press paper into food coloring (if you are making cards, fold paper first)
5. Use card to scrape the excess shaving cream off of your paper
6. Allow paper to dry a bit and proceed to draw
