Hopscotch!

Take some chalk to your sidewalk and make some cool hopscotch frames. Invite your siblings or parents to join in!

Length: 20 Minutes

Difficulty: Easy

Supplies You Will Need

- Chalk
- Sidewalk Space

ACTIVITY INSTRUCTIONS

1. Gather some sidewalk chalk.
2. Find a section of sidewalk to use.
3. You can use the pdf attached or watch the video to decide what kind of hopscotch pattern you'd like to make.
4. There are a few games mentioned.
5. You can skip a rock onto the numbers on your hopscotch and whatever number it lands on is how many times your partner has to go through.
6. You can also write categories instead of numbers, and when you go through, name something from that category.
7. Or create your own fun designs and games.
8. Get a sibling and hop to it!
