

Paper Flowers!

Use tissue paper to create beautiful flower pencil toppers

Length: 10 minutes

Difficulty: easy

Materials

- Tissue Paper (3 colors per flower)
- Tape
- Pen or Pencil
- Scissors
- Small Plate or Saucer

ACTIVITY INSTRUCTIONS

(Parental Warning: Scissor Use)

1. Take two sheets of tissue paper. Trace a small plate or saucer and cut out the circle that you traced.
2. Fold the circles in half to create a half circle and then in half once again to create a quarter circle.
3. Twist the corner and tape onto the end of a pen or pencil. Gently pull the petals apart.
4. Make small ball of yellow tissue paper and tape it to the middle of the flower.
