*By using leaves, you can create an incredible in a really cool and interesting way!*

**Length:** 10 minutes    **Difficulty:** Easy

---

## Supplies You Will Need

- 8-10 green leaves
- A piece of paper or use the printout provided
- Metal spoon

**(Parental Warning: none)**

## ACTIVITY INSTRUCTIONS

1. Fold your piece of paper in half.
2. Place leaves between the folded paper.
3. Press firmly on the leaves and rub with your metal spoon.
4. This will provide color all around the page.
5. For another process, ball up a leaf and use it as a paintbrush.
6. This will release more chlorophyll and is easier to control where the pigment ends up on the page.
