ACTIVITY INSTRUCTIONS

1. After watching the video, gather your materials and wash your hands to make this yummy treat.
2. First mix your chocolate pudding powder with the corresponding milk amount requested on the box.
3. Whip for two minutes with a whisk.
4. Let the mixture set for about 5 minutes.
5. While it sets, place the Oreos in a plastic bag, with filling intact, and crush them with your hands. Toss them around to make this a game!
6. Then grab your mason jar and layer alternating between Oreos and gummy worms.
7. On the second to last layer, put in your gummy worms.
