**JOHN AND MARCIA PRICE
COLLEGE OF ENGINEERING**

THE UNIVERSITY OF UTAH

2024-2025 ENGINEERING SCHOLARSHIP APPLICATION IS NOW OPEN

To apply, log into the scholarship system at **https://utah.academicworks.com/** using your uNID and CIS credentials.

Complete the General Application and the College of Engineering Application to be considered for college and department level auto-match scholarships. To be considered for apply-to scholarships, students will need to complete an additional essay or set of questions.

All current students should review the list of apply-to scholarships by entering "Engineering" into the filter search bar. This will narrow the list to include any university, college, or department scholarships for which engineering students are eligible.

Additional application information, including an instructional PowerPoint, can be found at: **https://www.coe.utah.edu/students/current/scholarships/**

If you have questions about navigating the application, please contact Jordyn Butcherite: 801-581-6683 or email **jordyn.butcherite@utah.edu**

Deadline is February 1, 2024

The John and Marcia Price College of Engineering awards approximately 600 scholarships each year worth over $2.6 million.

Questions regarding the scholarship application can be directed to the University Office of Scholarships and Financial Aid. (801) 581-6211 or *financialaid@utah.edu*
